OOF: 29 1330 JUN 90

SG1B The [REDACTED] is a 2 engine jet aircraft with one engine under each wing near the fuselage (see attached sketch). There is a blue or green stripe somewhere on the exterior of the aircraft. Associated with [REDACTED] is a large amount of concentrated contraband which is not marijuana. It has a sharp taste and may have a constricting/numbing affect on the throat. This is currently stacked in the vicinity (but not yet on board) of [REDACTED] SG1B

SG1B There is a direct relationship between [REDACTED] SG1B which involves movement from [REDACTED]

SG1B There is an indirect relationship between [REDACTED] SG1B The activity surrounding [REDACTED] on 30 JUN 90 is frantic movement. Men are moving small objects out of a large tube-like container which is partially buried in sand and rocks in a "desert-like" location. This container was previously on board [REDACTED] SG1B

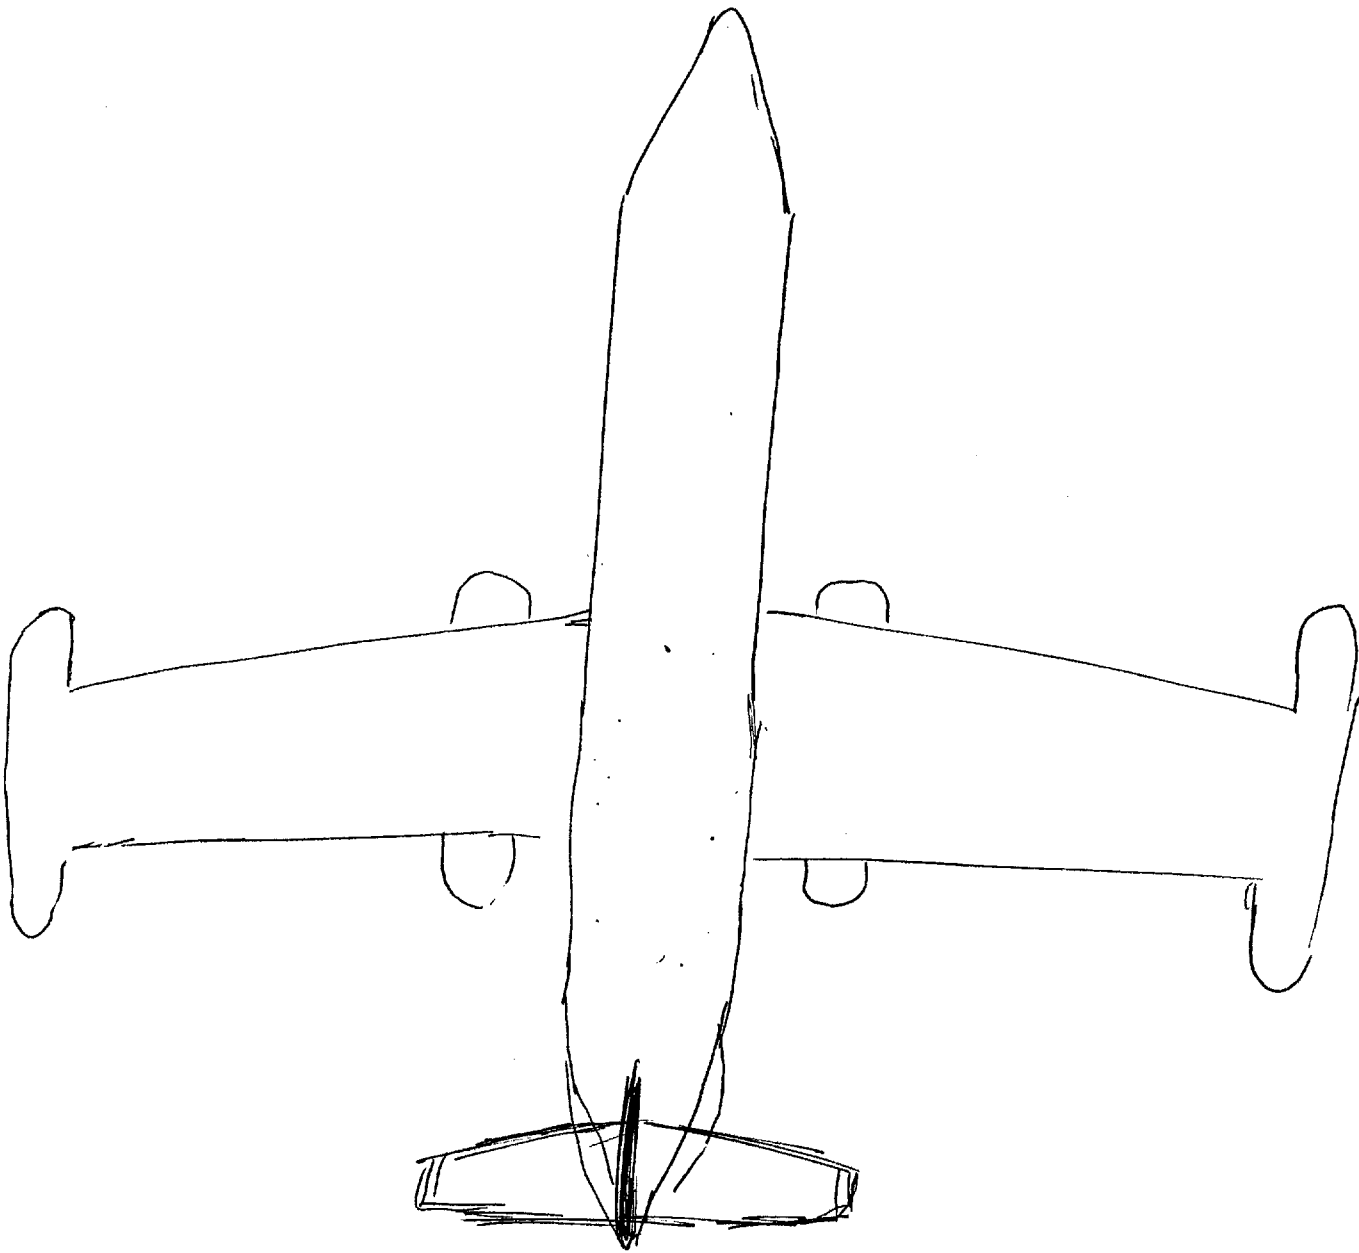

SG1B There is a slight possibility that [REDACTED] will fly from [REDACTED] SG1B

Time frame of this operation is some time between 29 1330 JUN 90 and 30 0800 JUN 90.

OOC:

OOC: An airdrop will occur in the next two to three days. A small unsophisticated boat without an engine will pick up the drop. One man in the boat will steer it to a different location where scuba divers will pick up the contraband and transport it to another location under water. SG1B

SG1B [REDACTED] is involved in the airdrop. [REDACTED] and SG1B SG1B [REDACTED] are responsible for the transport of contraband after the airdrop.
